Welcome to CBE International’s (CBE) 2017 Bookstore Catalog. We hope you enjoy browsing the resources. Each resource we carry has been evaluated by our team of reviewers to ensure that it furthers CBE’s mission and vision.

CBE Bookstore has long been a prominent part of CBE’s ministry, promoting CBE’s mission by providing a place to find egalitarian resources. And, it has helped sustain CBE’s ministry financially. However, the publishing and retail landscape have changed, and after years of conversation and prayer, we have concluded that the bookstore ministry is in need of a new direction. To be better stewards of CBE resources, CBE Bookstore is moving to Amazon. CBE will continue to review and recommend egalitarian resources to the Christian community, and your purchase through CBE’s Amazon bookstore will continue to generate support for CBE’s ministry. Even the website address will remain the same: cbebookstore.org.

CBE International (CBE) is a nonprofit organization of Christian men and women who believe that the Bible, properly interpreted, teaches the fundamental equality of men and women of all ethnic groups, all economic classes, and all age groups, based on the teachings of Scriptures such as Galatians 3:28:

“There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus” (NIV 2011).

MISSION STATEMENT
CBE exists to promote biblical justice and community by educating Christians that the Bible calls women and men to share authority equally in service and leadership in the home, church, and world.

ENVISIONED FUTURE
CBE envisions a future where all believers are freed to exercise their gifts for God’s glory and purposes, with the full support of their Christian communities.
STATEMENT OF FAITH

We believe in one God, creator and sustainer of the universe, eternally existing as three persons equal in power and glory.

We believe in the full deity and the full humanity of Jesus Christ.

We believe that eternal salvation and restored relationships are only possible through faith in Jesus Christ who died for us, rose from the dead, and is coming again. This salvation is offered to all people.

We believe the Holy Spirit equips us for service and sanctifies us from sin.

We believe the Bible is the inspired word of God, is reliable, and is the final authority for faith and practice.

We believe that women and men are equally created in God’s image and given equal authority and stewardship of God’s creation.

We believe that men and women are equally responsible for and distorted by sin, resulting in shattered relationships with God, self, and others.

WHAT WE DO

CBE’s ministry revolves around several core components.

Publications. We publish an academic journal, Priscilla Papers, and a popular magazine, Mutuality, quarterly. These award-winning publications are available by mail with a paid subscription or for free on CBE’s website. In addition, we publish a blog with a weekly e-newsletter, Arise.

Bookstore. CBE Bookstore is the place to find the best resources on the biblical perspective on the equal service and authority of men and women. Each book we carry or recommend has been reviewed for quality and relevance to CBE’s mission.

Conferences. Each year, we host an international conference with some of the top scholars and speakers in the world. Our conferences educate, encourage, and equip our community to share about the biblical basis for the shared authority of men and women in their homes, churches, and cultures.

Organizational Membership. Whether your church or organization is exploring biblical equality or is already committed to it, CBE membership provides you with resources and support. CBE organizational members receive free subscriptions to our publications and conference registration discounts, as well as other benefits.

Chapters. Chapters are CBE’s hands and feet in communities around the world. Chapters are a way for local CBE members and supporters to connect and minister together. They often host lectures, meet for mutual encouragement, represent CBE at regional conferences, and serve their communities together.
Respected New Testament scholar Cynthia Long Westfall offers a coherent Pauline theology of gender which includes fresh perspectives on the most controverted texts, offering viable alternatives for some notorious interpretive problems in certain Pauline passages. The author reframes gender issues in a way that stimulates thinking, promotes discussion, and moves the conversation forward. This book is a call for all who study Paul and gender to learn to distinguish between their assumptions and the presuppositions they use to make sense of the texts.

Women have shaped and been shaped by the Pentecostal/Charismatic movement from its beginning, and have received a wide variety of responses regarding their opportunities and limitations in the movement. In this book, scholars, activists, leaders, and exemplars from a variety of disciplines reflect on the question: How have women responded to a religious context that has depended upon their gifts while, at the same time, limited their voices and perspectives? This volume offers missing and/or silent voices, an important corrective, and a way forward to shape gender-focused discussions.

Ruth Tucker recounts a harrowing story of abuse at the hands of her husband, a well-educated, charming preacher no less, in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced biblical approach to counter such abuse for pastors and counselors. Weaving together stories with reflection on biblical, theological, historical, and contemporary issues surrounding domestic violence, she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship.

Healing Voices consists of 11 real-life stories of women who survived various forms of violence (domestic violence, rape, incest, and other violent acts), with their “common thread” being the realization they survived because of their faith in God. Some of the women have chosen to remain anonymous, but all want their stories to be heard to inspire hope and renewal for other women who may be in abusive relationships, or who are recovering from such experiences. Each woman’s story is followed by a spiritual reflection written by a female clergy person to help discern the message of hope that each story reveals.

This book offers a much-needed introduction to womanist approaches to biblical interpretation. It argues that womanist biblical interpretation is not simply a by-product of feminist biblical interpretation, but part of a distinctive tradition of African American women’s engagement with biblical texts. While womanist biblical interpretation is relatively new in the development of academic biblical studies, African American women are not newcomers to biblical interpretation. This excellent and accessible resource is perfect for introducing readers to the development and applications of womanist biblical interpretation.

Marianne Meye Thompson shows how Colossians and Philemon provide a unique formulation of the gospel in terms of creation and reconciliation rather than justification by faith. In Colossians she finds an overarching narrative of the Bible’s grand creation-redemption story and an important emphasis on the relationship between creation and Christology, while her exploration of Philemon casts brighter light on the significance of Paul’s familial metaphors for the church and the meaning of new humanity in Christ.

While in many countries, women have been granted equality in law, serving as heads of state, judges, professors, army generals and more, they are still excluded from leadership in many churches. This exclusion is based on an appeal to the Bible where it is claimed women were set under men in creation before the fall, and thus their subordination is a God-given ideal.

Many of the most able and well-known evangelical scholars have argued that this is simply a misreading of the Scriptures. In this book, speakers from the CBE conference in Melbourne, Australia, “Better Together,” explore women leaders in the Old Testament, Jesus’ relationship with women, Paul’s writing on women, and the Trinity as grounds for subordination.

Based on the life of activist and scholar Katharine Bushnell, Lutz combines solid research and gripping storytelling to present the story of a woman who changed the world.

Motivated by her passion to see women released from bondage, Kate prepares a report on her findings of the women’s trials and torments. When Wisconsin’s governor demands Kate defend her report to the state legislature, will they believe her or brand her a liar?

Bone of My Bones
Cynthia Gaw
Resource Publications 2015 | 168 pages

Bone of My Bones fictionalizes biblical equality and mutuality. The “complementarian” debate usually focuses on the realm of theory, and stereotypes the lived experience and the people who suffer from the contemporary church’s brand of sexism. This novel fleshes out many popular gender ideas, and explores how and why these conflict with biblical truth.

Who They Were and Why They Matter
Lynn Japinga
Westminster John Knox Press 2017 | 232 pages

Along with providing an interpretation, Japinga demonstrates how the character’s story has been read in Christian tradition and offers sermon ideas that connect contemporary issues to each story. This book is ideal for pastors who want to know more about the many women of the Old Testament and learn how to better incorporate them into their sermons.

Wealth in Ancient Ephesus and the First Letter to Timothy
Fresh Insights from *Ephesiaca* by Xenophon of Ephesus
Gary G. Hoag
Eisenbrauns 2015 | 258 pages

In this volume, Hoag introduces *Ephesiaca* and employs a socio-rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy (2:9–15; 3:1–13; 6:1–2a; 6:2b–10; and 6:17–19). His findings augment our modern conception of the Sitz im Leben of the wealthy in Ephesus. Additionally, because *Ephesiaca* contains some rare terms and themes that are found in 1 Timothy, this groundbreaking research offers fresh insight for biblical reading and interpretation.

New Testament Theology and Ethics
Volume Two
Ben Witherington III
IVP Academic 2016 | 838 pages

In the second volume of his two-volume comprehensive overview of the theological and ethical thought world of the New Testament, Ben Witherington III focuses on the collective witness of New Testament writers. The New Testament, says Ben Witherington, is “like a smallish choir. All are singing the same cantata, but each has an individual voice and is singing its own parts and notes. If we fail to pay attention to all the voices in the choir, we do not get the entire effect. . . . [this] volume will attempt to re-create what it might have sounded like had they ever gotten together and performed their scores to produce a single masterful cantata.”

Insight into Two Biblical Passages
Anatomy of a Prohibition 1 Timothy 2:12, the TLG Computer, and the Christian Church by Leland E. Wilshire
UPA 2010 | 154 pages

This work comprises new insights into two Biblical passages. The author provides support for the interpretation of the key word “authentein” from 1 Timothy 2:12 as “committing violent action,” not “having authority.” He then explores the effect of this interpretation on exegesis, gender pronouncements, hermeneutics, tradition, theology, and relevance. The second insight study discusses seeing the “suffering servant” of Isaiah 40–66 as the city of Jerusalem.

If Eve Only Knew

Kendra Weddle Irons, Melanie Springer Mock
Chalice Press 2015 | 224 pages

“Shes a godly woman.” “True love waits.” Are these phrases and many others about gender truly based in Scripture, or based on dusty, outdated stereotypes? If Eve Only Knew offers a fresh perspective on gender and the Bible with the freeing proclamation grounded in Jesus’ ministry and found everywhere in Scripture: that we are all created in God’s image, and by relying on our gifts and skills—rather than on gender-designed roles—we become all God means for us to be.

A Christian Vision for Your Calling in the Office, the Home, and the World
Katelyn Beaty
Howard Books 2016 | 272 pages

Women today inhabit and excel in every profession, yet many Christian women wonder about the value of work outside the home. Katelyn Beaty insists it’s time to reconsider women’s work. Starting with the Bible’s approach to work—including the creation story, the Proverbs 31 woman, and New Testament models—Beaty shows how women’s roles in Western society have changed; how the work-home divide came to exist; and how the Bible offers models of women in leadership. Beaty urges all believers into a better framework for imagining career, ambition, and calling.

The Equality Workbook
Freedom in Christ from the Oppression of Patriarchy
Helga Edwards, Bob Edwards
CreateSpace 2016 | 174 pages

Influenced by the patriarchy of Roman culture and ancient Greek philosophy, church leaders in the 3rd and 4th centuries began to translate and interpret the Bible with a systematic bias against women. This bias was carried over into the Protestant Reformation, and it continues to influence how the Bible is read and understood today. Written to help readers identify and remove patriarchal bias from Bible translation and commentary, this workbook also focuses on helping women to recover from the harmful effects of patriarchy.

What if those tricky Scriptures about women actually held a message of freedom? What if the Bible told a story of a radically inclusive God out to change the world—using us? Good News about Gender explores what the Bible has to say about identity, community, and calling for women and men in God’s kingdom. Designed for group study, this guide includes discussion questions, activities, challenges for practical application, and appendixes for those who want to dig deeper.

Is Gender Equality a Biblical Ideal?
Five-part DVD Series and Study Guide
Mimi Haddad, Sean Callaghan
CBE 2015 | 2 discs plus workbook

Should women be allowed to lead in the church and the home? What does the Bible mean when it calls Eve “helper”? How do cultural beliefs devalue women? How can we foster egalitarian beliefs in other cultures? Over five lectures, the series provides a comprehensive overview on the Bible’s teaching of shared leadership between men and women. Specific topics include the Old and New Testaments, church history, strategies for justice, and working cross culturally. Originally developed for NGOs, this lecture series is perfect for individuals, small groups, or organization-wide training.

No Time for Silence
Evangelical Women in Public Ministry Around the Turn of the Century
Janette Hassey
CBE 2008 | 272 pages | Print, PDF, Kindle, Nook, Kobo, Apple iBook, and Google Play

Hassey counters the popular but misleading claim that evangelical feminism is simply an adaptation to recent secular feminist and theologically liberal movements for women’s rights. Rather, evangelical feminism in America first surfaced in the mid-nineteenth century. Hassey documents evangelical women who taught at Bible institutes, preached at Bible conferences, pastored churches, and led revivals more than 100 years ago.

Partners in Marriage and Ministry
A Biblical Picture of Gender Equality
Ronald W. Pierce
CBE 2011 | 120 pages | Print, PDF, Kindle, Nook, Apple iBook, and Google Play

Drawing on thirty years of teaching classes on gender and the Bible, Pierce examines Scripture to present a biblical picture of gender equality in both marriage and ministry. Each chapter ends with questions for reflection and study, making Partners in Marriage and Ministry a great resource for individual or small group study.
