

# How to Create a “Created to Thrive” Scholarship Friendraising Page

Here are step-by-step instructions for customizing CBE’s “Friendraise for ‘Created to Thrive’ Scholarships” template to create your own conference scholarship friendraising page. Before you dive in, we suggest you take a moment to review the process below.

1. Click the link: <https://cbeinternational.salsalabs.org/friendraise>. It will bring you to CBE’s parent friendraising page—click “Register Me to Friendraise.”

## Advance the Gender Equality Movement

CBE’s community will gather at “Created to Thrive” to learn from renowned scholars and connect with leaders at the forefront of the egalitarian debate. As the world’s largest event advancing the egalitarian movement, it’s a unique opportunity to equip future teachers, pastors, activists—anyone whose passion is to carry forward God’s vision for thriving churches and communities. Those who have been wounded by patriarchy are especially welcome to join us and find encouragement and healing among others who can relate.

It’s our prayer that everyone who needs to be encouraged and equipped can attend. You can help more people thrive by inviting your friends and family to stand with you and contribute to CBE’s conference scholarship fund.

## How It Works

1. Register to become a CBE scholarship friendraiser.
2. You’ll receive a link to a personal scholarship fundraising page that you can customize with your photo, a personal message about why you’re supporting CBE conference scholarships, and your own fundraising goal.
3. Share the link with your friends and family and invite them to give.\*
4. You can even download a free mobile app to help you connect, thank donors, and track your progress.

\*CBE never shares supporter contact information and friends will not be added to other CBE email lists without permission.
