What is Christians for Biblical Equality?

Christians for Biblical Equality (CBE) is a nonprofit organization of Christian men and women who believe that the Bible, properly interpreted, teaches the fundamental equality of men and women of all racial and ethnic groups, all economic classes, and all age groups, based on the teachings of Scriptures such as Galatians 3:28. We are the leaders in providing resources on gender from an egalitarian perspective. Visit us on the web at www.cbeinternational.org.

What is a CBE organizational membership?

A CBE organizational membership (for groups such as seminaries, Christian colleges, women's studies departments, nonprofit organizations, and marriage ministries) is a partnership between CBE and the leadership of your group. Through an organizational membership, CBE provides you with resources like publications, books, opportunities to host CBE speakers, and discounted conference registrations to equip the leadership of your organization in developing biblical and irenic discussions about gender on your campus.

Why should my school become a CBE member?

Many schools are committed to exploring the biblical foundations of gender equality, but find that approaching the topic can be confusing to some and divisive to others. While CBE's resources are decidedly egalitarian, we are also committed to, and have an established history of, sharing the message in a non-threatening and gracious manner. CBE is passionate about education, promoting critical thought, and spurring further dialogue about men, women, and the church. We work with churches and organizations all over the world to further this goal. If your college is exploring biblical equality, or is already committed to it, we would love to walk alongside you through membership, providing resources and support.
