Join us in Chicago, August 7–9, 2026, as we gather to learn, heal, and grow as one body—women and men serving side by side as equal gospel partners. Through sessions on theology, pastoral care, church history, and more! We'll explore women's legacy of faithful leadership and seek healing from the wounds of theological patriarchy for both women and men. And, for the first time, we will offer introductory sessions on biblical equality for those who are new to the subject! Don't miss this time of encouragement and renewal before the Lord.

In-Person Registration Includes:

- Access to keynotes, workshops, and devotions from Christian egalitarian leaders.
- Networking with scholars, speakers, students, and ministry professionals.
- Onsite CBE Bookstore featuring conference speakers and authors.
- An author reception where attendees will have the chance to meet renowned authors and scholars.
- Prayer room available for reflection and support.
- Conference workbook with schedule, maps, and speaker information.
- Two dinners for all attendees and breakfast for those staying onsite at the Crowne Plaza O'Hare Hotel.
- Free O'Hare airport shuttle for hotel guests staying onsite.
- Access to the mobile event app group—and more!
